

HONEYGUIDE TARANGIRE CAMP FACT SHEET

Honeyguide Tarangire is a beautifully presented luxury tented safari camp set in the breathtaking wilderness of Tarangire National Park in Tanzania.

The camp comprises ten large 48 square meter tents, each of which can accommodate three adults, or two adults plus two children. The camp is set in a grove of umbrella thorn trees, with panoramic views. Each of the tented suites looks directly onto the plains, with a generous veranda allowing incredible game viewing. Daybeds with scat-

ter cushions provide the perfect spots for reading and afternoon naps.

The park is famed for its massive herds of elephants, vibrant birdlife and distinctive baobab trees.

The camp has a stylish and comfortable feel, as well as being unfenced, which allows the animals to pass through camp. Spend two nights with us, and we will invite you for a late afternoon safari in one of our vintage safari vehicles. Tarangire Camp welcomes children of all ages.
