

## HONEYGUIDE MANTOBENI CAMP FACT SHEET

Bordering the Kruger National Park and situated between the Timbavati and the Sabi Sand Reserves, lies the Manyeleti Game Reserve which encompasses 23,000 hectares of land. The Manyeleti Reserve is home to our two tented camps - Mantobeni Camp & Khoka Moya Camp. Each camp offers breathtaking wildlife experiences, including the Big Five, superb cuisine, and service excellence.

The 15 well-spaced tents are nestled in a Tamboti grove overlooking a dry riverbed. Relax in the large open tranquil bar area, enjoy the infinity pool, comfortable sun lounges, and watching the wildlife drinking from the nearby waterhole. The tents at Mantobeni offer an open veranda to allow you to relax as it is elevated on a wooden platform. The furnishings are soft leather couches, extra-length beds, mosquito nets with an open air en-suite bathroom.

Children aged 12 years and older are welcome at Honeyguide Mantobeni Camp
